MEMORANDUM FOR THE RECORD

SUBJECT: Request for Information from Ron Tammen, Senator
William Proxmire's Staff, 20 January 1978

25X1 1. [] I spoke with Ron Tammen, in the office of Senator William Proxmire (D., Wis.), in response to his request for information on a series of questions regarding the activities

25X1 2. [] After research had been done on the questions he provided, copy of which is attached, and it had been determined that what little information we had was essentially foreign intelligence and had no problems with sources and methods, I briefed him. I told him that the computer had broken down and that we were unable to retrieve any information we might have on [] he was interested in and we agreed to talk again Monday morning, 23 January, when it was hoped the machine would be back in line.

25X1 3. [] I also explained to him that, given the time limitation he had imposed upon us, I could not guarantee that we had retrieved all information we had on the subjects of his inquiry. Having said that, I told him the following and added that we had no additional information on the other questions he had posed:
